

OCTOBER 24, 2014

Dear Partners In World Evangelism,

Choice Christian Greetings.

First of all, I want to thank each of you so very, very much who made up the deficit that we incurred in the Share-a-thon in August. To say that we are grateful presents itself as an acute understatement. Once again, thank you!

But regrettably, we experienced (in round numbers) a deficit in September of a little over \$800,000. Many of you remember exactly that of which I speak.

I'm going to ask for your help in the same manner that I asked for it previously. I believe that with every Share-a-thon, the Lord speaks to the appropriate number of people for what He wants them to do. If we fall short, it's because some gave a part of what the Lord had requested of them, with many others giving nothing. So, what am I saying?

I believe the Lord spoke to each and every one of you as to what He wanted you to do. That being obeyed, in other words, His Word being obeyed, will take care of this deficit exactly as it did the previous deficit. Thank the Lord for the many, many of you who did exactly what the Lord wanted you to do. And yet, I suppose that every one of us, even the most consecrated among us, have at times not done what the Lord wanted us to do. But the longer we live for Him, the more that we hear and understand His voice.

I will leave it with you, believing that the Lord has already spoken to your heart, and that you will obey, which will address the September deficit. I'm going to ask you to pray about the following, because it is so very, very important.

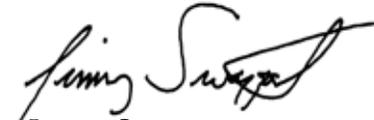

According to those who know, there are 115 million homes in America which have one or more television sets. The SonLife Broadcasting Network is presently going into some 72 million of these homes. Of course, as you know, that's 24 hours a day, seven days a week. **But yet, we must somehow cover the balance of some 43 million homes. They deserve the Gospel also.**

Plus, it is imperative that we go on every satellite in the world that reaches the countries of the world. We are on most of them now, and, consequently, we receive mail from virtually every country in the world, or nearly so, each and every month. This is what the Lord has told us to do, and this is what we are doing.

Thank you so very, very much for helping to make it possible. Now, once again, I ask of you that you would do what the Lord tells you to do as it regards the September deficit. And again, I'm rejoicing because the August deficit was addressed and met.

For a gift of \$100 or more, I want to give you the brand new CD by Robin Herd, *When I Lay My Isaac Down*. This is a great CD, it's brand new, and it contains eight great songs. It will be a blessing, I promise.

In the Master's Service, yours,

Jimmy Swaggart

P.S. My word for you this month is, *"But this I say, he which sows sparingly shall reap also sparingly; and he which sows bountifully shall reap also bountifully"* (II Cor. 9:6).
