

Choice Christian Greetings.

First of all, please allow me to thank you for your prayerful and financial support respecting the Sonlife Broadcasting Network (SBN). I keep saying it because I must say it: without you, we simply could not do what we are doing. In effect, as the Lord has called me, and that goes for every person on our staff, He has called you as well. I want you to understand that, believe that, and to act accordingly.

The gospel of Jesus Christ is the single most important thing on the face of the earth. No, that's not an exaggeration; it's the truth. At this particular time, we are covering well over half of the globe, and I won't rest until we are covering it all. Some of these places only the Lord can open the door, but please understand that He is able.

More and more I am sensing the Spirit of God moving on the programming. Over and over again, I will stop and give an altar call for people to be saved, and how thrilled we are when the word comes back to us that individuals were saved as they prayed the sinner's prayer with me. That's what it's all about. And I believe the day is coming, and we are very near that day, where the Spirit of God is going to move to such a degree, that untold thousands are going to instantly give their hearts to Christ. Untold thousands are going to be instantly baptized with the Holy Spirit. Untold thousands are going to be healed and delivered by the mighty power of God. I believe the Lord has told me that, and it is getting closer by the day.

What we are seeing now, as stated, is phenomenal to say the least, but what we are going to see is going to eclipse, I believe, anything that's ever been seen before. And of course, I'm speaking of a harvest of souls such as the world or the church has ever seen.

We had a shortfall last month of \$1.2 million, which is strictly for airtime over television, and it pays for the cables, the stations, the satellites, the Internet, etc. Actually, the complete number is \$4.8 million for airtime. And, as stated, in the last share-a-thon we lacked \$1.2 million.

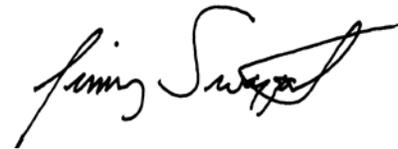

Of course, none of that includes the overhead, and I speak of the payroll for over 300 people, the utilities, maintenance, and equipment, etc. That is different from the airtime costs. But yet, for that we are reaching over half the world.

If SBN has blessed you in the last month, I'm asking you now, please, to whisper a little prayer to the Lord as to what He would have you to do. I believe He will answer, and I believe that you will respond accordingly.

For every one of you who can give \$100 or more, I want to give you a copy of the CD/DVD combo, *He Looked Beyond My Faults And Saw My Need*.

I know, and in fact I guarantee, that you will enjoy this combo. We're going to look forward to hearing from you.

In the Master's service, yours,

Jimmy Swaggart

P.S. My word for you this month is: *"But my God shall supply all your need according to His riches in glory by Christ Jesus"* (Phil. 4:19).
