

#### Choice Christian greetings:

A few Sunday nights back, Sharon Cornell ministered at Family Worship Center, and she told how, in 1994, the Lord began to unveil to her the finished work of Christ, yet she still struggled with the same sort of things all believers struggle with when it comes to living for God. One day in prayer the Lord told her, “The same way that you came in (salvation) is the same way that you stay in (sanctification).” Praise God. The Lord went on to reveal that not only did the world need that message, but also the church. She said, “The church needs to hear it, because there’s many people that came into churches all over the world this morning, and they came in chains and shackles, and they left out the same way that they came in.”

This resonated with something the Lord had spoken to my heart the year before in 1993. I was crying out to the Lord for this ministry, and He said, “I’m going to help you, but My church is in a pitiful condition.” And He used these words from the first chapter of Isaiah: “The whole head is sick, and the body is full of sores.” Then He told me, “I’m going to start a move at Family Worship Center that’s going to girdle the globe.”

That’s why, as Sharon ministered that Sunday night, what she said really blessed me. “The world can’t be revived,” she said, “but the church can. The world can’t be revived because they never were alive, but the church was alive once .... I believe there is a stirring in the mulberry trees, and I believe this message is going to girdle the globe one more time before Jesus Christ gets ready to come back. I believe we’re going to see a harvest of souls come in. I believe we’re going to see men and women, boys and girls, both that never

knew Him but that have been revived. Get ready for some Methodists to come sit beside you, hallelujah; get ready for some Baptists to come sit beside you; get ready for some Presbyterians to come sit beside you; get ready for some Catholics to come sit beside you; get ready for some Pentecostals to come sit beside you. Get ready!” Praise God, I believe the Lord used this dear sister to deliver a word of prophecy concerning Family Worship Center as well as the church at large.

This harvest of souls is the reason for the SonLife Broadcasting Network; it’s the reason for your help, for your prayerful support, for your financial support—to reach out for those souls that hunger for God, that want the Lord, that cry to God for help. We want to be there for them.

A gift of \$100 or more would be a tremendous help to the work of God, and for those of you who can manage that, I want to send you a gift—the 2018 International Youth Conference DVD boxed set.
