

## JIMMY SWAGGART MINISTRIES

September 23, 2021

### Choice Christian greetings

First of all, I wish to thank you from the very deep of my heart for your support of this work and ministry. Relating to you how important this is, well, I am unable to do so. However, I do believe that the Lord shows you each and every month just how important this is. Again, thank you for your kindness and your generosity.

Everything we do is to see souls saved. I am certain that many of you have noticed the television programming. At times, the Spirit of God will move, and I will lead our audience, which is worldwide, into the sinner's prayer. We live this, breathe this—and I speak of getting souls saved. here are three things that we strive to do:

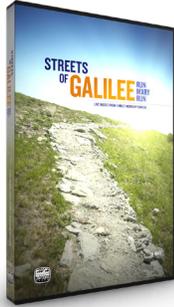

- *Worship the Lord.* That's the reason for our music, and why we put such emphasis on it. Anointed music prepares hearts for true worship.
- *Teach the Word.* It is imperative that people understand the Word of God, and we attempt to make that understanding applicable day and night.
- *Preach the gospel.* When the gospel is preached, we see people saved and lives changed.

God has called us for worldwide evangelism. That's what we do. That's what we live and breathe. At the same time, we cannot do it without you. I realize you hear me say that often, and I do so because it's true. We have to have your prayerful support and your financial support.

I thank the Lord that the response of our audience is better than ever. Yet we seem to come out with a shortfall each and every month. This time it's about the same as before, but a little less—\$600,000.

For each of you who can give \$100 or more—and we urge you to pray about it—we want to send you a copy of the CD/DVD combo, *Streets of Galilee*. I promise you this, as you hear Brian Haney sing this song, you will be blessed.

Songs include:

- Streets Of Galilee (Run Mary Run)–Brian Haney
- I'm In Good Hands–FWC Praise & Worship Leaders
- Just A Closer Walk With Thee–Jimmy Swaggart
- It Is No Secret–Joseph Larson
- I Lost It All–Martha Borg

Just this morning, as I was leaving the house, I looked at a group of letters that were lying there, and I picked one up. The man wrote, “Brother Swaggart, I have been running from the Lord for a long time, but He finally caught up with me.”

That was just one letter that I read, and only a part of it, and I thank God for every letter we receive telling us about a soul being saved.

I don't know of another ministry on the face of the earth that puts more emphasis on souls being saved than this ministry. There is nothing more eternal, more gracious, and more wonderful than a person coming to Christ.

World evangelism is what we do—what we have to do—because it is what God has called us to do. But, as I've stated and will state again and again, we cannot do it without you.

Again, thank you for helping to make it possible.

In the Master's service, yours,
